SUNBEAM PLACE (MANAGED BY SINGAPORE CHILDREN'S SOCIETY)

Singapore Children's Society Sunbeam Place is a residential home and gazetted place of safety for children who have been abused and neglected and in need of protection, or whose parents are unable to provide proper care.

The Centre provides a home-like and loving environment for children aged between 2 and 21 years, and offers a wide range of opportunities to develop every child's strengths and skills to be responsible young adults.

The Club will collaborate with the Centre to enrich, enable and enhance the lives of the young beneficiaries through various activities and programmes, in addition to fundraising. We hope to give back to the community in tangible ways that will allow the children a chance to grow up in a loving and nurturing environment that will enable them to develop a positive self-view with emotional resilience.
